## **Do you:**

- Have key people retiring and are required to do more with less?
- Jump through multiple process and decision hoops?
- Receive complaints from customers about complex processes?
- Wait a long time for approvals?
- Find that work gets lost between departmental silos?
- Encounter multiple understandings about how work gets done?
- Chase information?

***If so, this workshop is for you....and your staff***

## **What is Lean Government 101?**

... it is a four hour training event that introduces participants to the Lean process improvement methodology. Participants learn about the Lean Government toolbox, including: the 8 wastes, 5S, standard work, visual workplace and the rapid improvement Kaizen Blitz event. By the end of training, participants will begin "thinking Lean," that is, thinking in terms of continuously improving processes in their agency with the Lean tools.

## **Benefits:**

All levels of government can benefit from Lean initiatives. Typical benefits include:

- Productivity increase up to 50%
- Process elapsed time to 90%
- Reduction in errors up to 90%
- Work in process reduction up to 90%
- Space utilization improvement up to 75%

## **Who should attend?**

Commissioners, Directors, Executives, Managers, Associates, Staff, etc. from all levels of Government:

- Federal
- State
- City
- County
- Town
