

Environmental Facilities Corporation 2010 Tour of Western and Central New York Communities

THE Corporation is pleased to announce a tour of communities throughout Western and Central New York to build awareness for the Clean and Drinking Water State Revolving Funds (SRFs). EFC President and C.E.O. Matthew J. Driscoll will host a series of presentations that will outline the SRF Programs and highlight region-specific funding opportunities available to assist communities as they address their water quality and infrastructure needs.
