Statement from
NYCOM Executive Director Peter A. Baynes
on Governor Cuomo’s State of the State Address

"With the detrimental effects of federal tax reform looming over New York's state and local government finances, it is more important than ever that the Governor's agenda include a true partnership with municipal leaders, rather than imposing mandates and placing blame. NYCOM stands ready to work with the Governor and the State Legislature to assist municipal efforts to reduce the tax burden and keep New York strong."
