General Information

General Election Dates

Election Law § 15-104. General village election

1. a. The general village election shall be held on the third Tuesday in March except in any village which presently elects, or hereafter adopts a proposition to elect, its officers on a date other than the third Tuesday in March.

b. In any village in which the general village election, or a special village election for officers pursuant to this chapter, is scheduled to be held on the third Tuesday of March, for any year in which the seventeenth day of March shall fall on such Tuesday, the board of trustees of such village shall provide that such election shall be held on the eighteenth day of March. Any provision of a resolution adopted pursuant to this subdivision shall not otherwise alter the political calendar for any such election, which shall continue to be computed from the third Tuesday of March.

NOTE: For all village elections scheduled for Tuesday, March 17, 2020, the village board of trustees must pass a resolution designating Wednesday, March 18, 2020 as village election day. This resolution must be adopted at least sixty days prior to the election within in the same resolution adopted by the board of the trustees providing the polling place in each election district and the hours that the polls will be open.

NOTE: Changing the date of the village election to March 18, 2020 will not otherwise alter the political calendar, which is still calculated from the third Tuesday of March.

Saturday, Sunday and Public Holiday Dates

Election Law § 1-106. Filing of papers; when received

1. All papers required to be filed pursuant to the provisions of this chapter shall, unless otherwise provided, be filed between the hours of 9:00 a.m. and 5:00 p.m. If the last day for filing shall fall on a Saturday, Sunday or legal holiday, the next business day shall become the last day for filing.

All papers sent by mail in an envelope postmarked prior to midnight of the last day of filing shall be deemed timely filed and accepted for filing when received, except that all certificates and petitions of designation or nomination, certificates of acceptance or declination of such designations or nominations, certificates of authorization for such designations or nominations, certificates of disqualification, certificates of substitution for such designations or nominations and objections and specifications of objections to such certificates and petitions required to be filed with the state board of elections or a board of elections outside of the city of New York shall be deemed timely filed and accepted for filing if sent by mail or overnight delivery service pursuant to subdivision three of this section, and received no later than two business days after the last day to file such certificates, petitions, objections or specifications.

Failure of the post office or any other person or entity to deliver any such petition, certificate or objection to such board of elections outside the city of New York no later than two business days after the last day to file such certificates, petitions, objections or specifications shall be a fatal defect (emphasis added).
2. The failure to file any petition or certificate relating to the designation or nomination of a candidate for party position or public office or to the acceptance or declination of such designation or nomination within the time prescribed by the provisions of this chapter shall be a fatal defect (emphasis added).

NOTE: Chapter 5 of the Laws of 2019 changed the deadline to submit and accept papers that are required to be filed under the Election Law. Previously, the statute had provided that a filing was timely anytime it was received, provided it was postmarked by the deadline. The law now requires postmarked papers or papers submitted through delivery services be received not later than two business days after the filing deadline. This should not be confused with the submission of an absentee ballot, which must be received by Election Day in order to be counted.

NOTE: Election Law § 1-106 does NOT extend deadlines for village clerks or boards of trustees when a deadline falls on a Saturday, Sunday, or public holiday because village clerks and boards of trustees may conduct business on those days.
